- The screenshot shows a Windows XP desktop environment. The 'World Service Authority' application window is open, displaying a 'Products and Packages' dialog box. The dialog box has a blue title bar and a 'Select' dropdown menu set to 'Products'. Below the dropdown is a list of products with columns for 'Package Name', 'Product Code', 'Product Description', and 'Cost'. The 'RP' product is selected in the list. The 'OK' and 'Cancel' buttons are at the bottom right of the dialog.
